Bringing Light to the Third Floor

Be sure to look up next time you're on the square at our beautiful new 3rd floor windows, which were installed thanks to your support and a generous grant from the city's Facade Grant Program. These improvements, as well as all the improvements to the first floor, were only possible because of your support from 2024's Year-End Giving campaign, the incredible increase in membership, and your generous donations throughout the year. We look forward to exciting growth in membership and fundraising as we approach the end of 2025.
